

REMARKS

Upon entry of this Amendment, the specification has been amended to incorporate the requisite abstract. The applicants respectfully request consideration and allowance of the present application as a U.S. Patent.

If there are any fees due for this submission, the Commission of Patents is authorized to charge any fees to deposit account no. 03-3975, under order no. 007627-275379. The Commissioner is also authorized to credit any overpayments to that same deposit account.

Respectfully submitted,

PILLSBURY WINTHROP SHAW PITTMAN LLP
